About the Institution

M S Ramaiah Institute of Technology (MSRIT), Autonomous Institute affiliated to Visvesvaraya Technological University is a pioneer in the field of technical education established in the year 1962 by a great educationist Dr. M. S. Ramaiah. MSRIT has created a landmark in the history of technical education of our country to impact much needed engineering education and has carved out for itself a big name all over the country and is recognized as a premier educational institution in India. It is NBA accredited institution which is also ISO 9001:2000 certified for quality in technical education. The college got academic autonomy in the year 2007.

About the Department

The Department of Computer Science and Engineering was established in the year 1984. M S Ramaiah Institute of Technology was one of the few Institutes in Karnataka to introduce Computer Science and Engineering (CSE) in the curriculum. The post graduate programme was started in the year 1999. The department is recognized as a research centre by VTU since 2002. The department has highly qualified and experienced faculty in areas like Embedded Systems, Networking, Mobile Computing, Cryptography, Artificial Intelligence, Data Mining, Parallel and Distributed Processing, Digital Signal Processing and Digital Image Processing.

About the Conference

The main aim of the conference is to bring out and share the latest research contributions in the area of Medical Image Processing and Health Care. It provides a leading forum for the sharing of original research contributions and practical development experiences among researchers and application developers from different Image processing and Medical imaging areas. The conference seeks solutions to challenging problems faced in different areas of specialization in the Computer Science.

The Conference is open to academicians and practitioners interested in the advancement of integration, and application, of image processing techniques on medical images. The conference provides a forum for reporting on past experiences, for describing new and emerging results and techniques, and for exchanging ideas on best practices and future directions.

English is the official language of the conference. We welcome paper submissions.

Call for Papers:

Topics of interest include, but are not limited to:

- Classification
- Compression
- Computational models
- Deformable geometry
- Healthcare Systems
- Image data management (storage, retrieval, transmission)
- Image restoration and enhancement
- Integration techniques
- Mathematical morphology
- Medical informatics
- Motion analysis
- Multiresolution and wavelets
- Neural nets
- Pattern recognition
- Registration
- Segmentation
- Shape
- Soft computing techniques in image processing
- Statistical methods
- Texture
- Visual rendering of complex datasets
- Voxel-based morphometry
- Applications

Authors' Guidelines

Authors are invited to send the full paper(s) and are supposed to use the style files or MS-Word templates as provided by the [IEEE](#) to format their draft papers.

All submissions must be original and should not have been previously published, accepted for publication or be under review at another conference/Journal.

The paper should contain the author(s) name(s), affiliations, emails. The maximum length of a paper is 5 pages.

Authors are invited to send the full paper(s) to: ncmip09@gmail.com

Important Dates

Submission of full paper: 25th October 2009
Notification of Acceptance: 10th November 2009
Submission of Camera Ready Copy: 15th Nov. 2009
Last Date of Registration: 25th November 2009

Registration Fee

Academicians
(Non-AICTE Approved Institution): Rs. 500/-
Industry Delegates: Rs. 2500/-
Students: Rs. 200/-

(Students should enclose Bonafide certificate along with registration form)

Note: The registration fee along with the full paper should reach the conference desk on or before due date. Papers received after the due date will not be published in the proceedings. The registration fee includes conference kit, lunch, refreshment, and a copy of proceedings.
